"Counterfeit Work" means Work that is or contains items misrepresented as having been designed and/or produced under an approved system or other acceptable method. The term also includes approved Work that has reached a design life limit or has been damaged beyond possible repair, but is altered and misrepresented as acceptable.

(c) SELLER shall only purchase products to be delivered or incorporated as Work to LORD CORPORATION directly from the Original Component Manufacturer (OCM)/Original Equipment Manufacturer (OEM), or through an OCM/OEM authorized distributor chain. (d) SELLER shall immediately notify LORD CORPORATION with the pertinent facts if SELLER becomes aware or suspects that it has furnished Counterfeit Work. When requested by LORD CORPORATION, SELLER shall provide OCM/OEM documentation that authenticates traceability of the affected items to the applicable OCM/OEM.

(e) This clause applies in addition to any quality provision, specification, statement of work or other provision included in this Contract addressing the authenticity of Work. To the extent such provisions conflict with this clause, this clause prevails.

(f) In the event that Work delivered under this Contract constitutes or includes Counterfeit Work, SELLER shall, at its expense, promptly replace such Counterfeit Work with genuine Work conforming to the requirements of this Contract. Notwithstanding any other provision in this Contract, SELLER shall be liable for all costs related to the removal and replacement of Counterfeit Work, including without limitation LORD CORPORATION's costs of removing Counterfeit Work, of installing replacement Work and of any testing necessitated by the reinstallation of Work after Counterfeit Work has been exchanged. (g) SELLER shall include paragraphs (a) through (e) and this paragraph (g) of this clause or equivalent provisions in lower tier subcontracts for the delivery of items that will be included in or furnished as Work to LORD CORPORATION.

offers/quotations at the request of LORD CORPORATION, or accepting any Contract, Contractor certifies to the representations and certifications as set forth below in this clause. Contractor shall immediately notify LORD CORPORATION of any change of status with regard to these certifications and representations.

(a) FAR 52.203-11 Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions (Applicable to solicitations and contracts exceeding \$150,000)

(1) Definitions. As used in this provision—

“Lobbying contact” has the meaning provided in 2 U.S.C. 1602(8)

The terms “agency,” “influencing or attempting to influence,” “officer or employee of an agency,” “person,” “reasonable compensation,” and “regularly employed” are defined in the FAR Clause entitled “Limitation on Payments to Influence Certain Federal Transactions” (FAR 52.203-12).

(2) Prohibition. The prohibition and exceptions contained in the FAR clause entitled “Limitation on Payments to Influence Certain Federal Transactions” (FAR 52.203-12) are hereby incorporated by reference in this provision.

(3) Certification. Contractor hereby certifies to the best of its knowledge and belief that no Federal appropriate funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress on its behalf in connection with the awarding of this contract.

(4) Disclosure. If any registrants under the Lobbying Disclosure Act of 1995 have made a lobbying contact on behalf of the offeror with respect to this contract, Contractor shall complete and submit, with its offer, to LORD CORPORATION OMB Standard Form LLL, Disclosure of Lobbying Activities, to provide the name of the registrants. Contractor need not report regularly employed officers or employees of the offeror to whom payments of reasonable compensation were made.

(5) Penalty. Submission of this certification and disclosure is a prerequisite for making or entering into this contract imposed by 31 U.S.C. 1352. Any person who makes an expenditure prohibited under this provision or who fails to file or amend the disclosure required to be filed or amended by this provision, shall be subject to a civil penalty of not less than \$10,000, and not more than \$100,000, for each failure.

(b) FAR 52.209-5 Certification Regarding Debarment, Suspension, Proposed Debarment, and Other Responsibility Matters.

(1) Contractor certifies to the best of its knowledge and belief, that:

(i) Contractor and/or its Principals—

(A) Are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have not, within a three-year period preceding this offer, been convicted of or had a civil judgement rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, local) contract or subcontract; violation of federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(C) Are not presently indicted for, or otherwise criminally or civilly charged by a government entity with commission of any of the offenses enumerated in subdivision (1)(i)(B) of this provision; and

(ii) Contractor has not, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(D) Have not, within a three-year period preceding this offer, been notified of any delinquent Federal Taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples.

(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax

Lord Corporation FAR / DFARS Flowdowns for Non-Commercial Items (4/15)
Form 0602-05

Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal Tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to the I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(2) Principal, for the purposes of this certification, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a subsidiary, division, or business segment; and similar positions).

(3) Contractor shall provide immediate written notice to LORD CORPORATION if, at any time prior to contract award, Contractor learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(4) The certification in paragraph (1) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to other remedies available, LORD CORPORATION may terminate this contract for default.

(c) FAR 52.222-22 Previous Contracts and Compliance Reports.

Contractor represents that if Contractor has participated in a previous contract or subcontract subject to the Equal Opportunity clause (FAR 52.222-26) (i) Contractor has filed all required compliance reports and (ii) that representations indicating submission of required compliance reports, signed by proposed subcontractors, will be obtained before subcontract awards.

(d) FAR 52.222-25 Affirmative Action Compliance.

Contractor represents (1) that Contractor has developed and has on file at each establishment, affirmative action programs required by the rules and regulations of the

Lord Corporation FAR / DFARS Flowdowns for Non-Commercial Items (4/15)
Form 0602-05

Secretary of Labor (41 CFR 60-1 and 60-2), or (2) that in the event such a program does not presently exist, Contractor will develop and place in operation such a written Affirmative Action Compliance Program within one-hundred twenty (120) days from the award of this Contract.
