

# LORD® 7555A/C and 7555A/E Urethane Adhesive/Sealant

## Bond and Seal in One Step with LORD Bright White Two-Component Urethanes

### FEATURES AND BENEFITS:

- Fast Cure
  - LORD 7555A/7555C adhesive/sealant develops handling strength within 60 minutes
  - Ideal for smaller bonding and sealing applications
- Non-Sag and Non-Slump
  - Full bodied urethane formula holds bead pattern on horizontal surfaces allowing for greater process flexibility
- Paint Immediately
  - Offers immediate paint time, improving throughput
- Extended Work Time
  - LORD 7555A/7555E adhesive/sealant offers longer working time, allowing for use on larger projects where more time is required
- Non-Flammable
  - Does not require explosion-proof equipment
- Environmentally Recommended
  - No VOC content
  - Does not contain ozone depleting chemicals
- Environmentally/UV Resistant
  - Resists sunlight, weathering, humidity and salt spray
  - Bright white color will not yellow

## APPLICATIONS

Provides excellent sealing properties for the following applications; automotive, heavy truck, trailer, recreational vehicle, commercial construction and clean rooms.

- Use 7555A/C for smaller applications
- Use 7555A/E for larger applications
- Exterior and interior visible joints/seams on variety of substrates

### TECHNICAL DATA: 7555A/C

Appearance: White Paste  
 Elongation: 166%  
 Work Time: 3-5 minutes  
 Purge Time: 2-3 minutes  
 Paint Time: Immediately; within 24 hours without a scuff  
 Full Cure: 24 hours or 45 minutes @ 140°F (60°C)  
 Time to Handling Strength: 1 hour

*Technical data reported @ 77°F (25°C)*

### TECHNICAL DATA: 7555A/E

Appearance: White Paste  
 Elongation: 166%  
 Work Time: 45 minutes  
 Purge Time: 10-15 minutes  
 Paint Time: Immediately; within 24 hours without a scuff  
 Full Cure: 48 hours or 45 minutes @ 140°F (60°C)  
 Time to Handling Strength: 5-6 hours

## PRODUCT INFORMATION

Part #	Description	Cartridge Size	SAP #	VOC lbs/gal.	Mixing Tip	Dispensing Gun
7555A/C	Urethane Adhesive/Sealer (Fast)	50 mL	3003960	0	3004476	3001112
7555A/C	Urethane Adhesive/Sealer (Fast)	400 mL	3003961	0	3004277	3001178
7555A/E	Urethane Adhesive/Sealer (Slow)	400 mL	3024769	0	3004277	3001178
